The following is from Reflections on a Life, a booklet of original poems and drawings she prepared as a gift to her family in 2010:

My name is Eda Gay and I have always been called by my full name. I was a teacher and most of my world was composed of students and parents. Most people called me Mrs. Patton.

I am a country person. I grew up on a small farm, the oldest girl of eight children. I know a bit about early mornings and late nights, as well as a full day of work on the farm. Not a picnic but a life that has proven very beneficial to me. It helped to prepare me for my own marriage and the raising of my family.

I have four children - Deborah, Richie, Jeannie and Melissa; five grandchildren. - Tamara, Nicolette, Brandon, Brooke and Erin; and eight great grandchildren- Natalie, Allie, Addison, Cohen, Eve, Jaspar, lone and Axlynn.

I married Hoyt Claude Patton when I was sixteen and remained at home until my third child began school. I graduated from Ervinton High School in 1965 and received my Bachelor's Degree from Clinch Valley College, Wise, Virginia in their first graduating class in 1970. I taught at Ervinton Elementary School until I retired in 1999.

I enjoy being outside; however, housework/cooking and I have a distant relationship and understanding. I enjoy working on committees as long as they have a purpose and do not waste my time with useless meetings.

I love teaching. Teaching was my dream from the time I was a small child and teaching is still my dream. I pray that as long as I am able, I shall have young people around to talk to and help them toward their educational goals.

I like to read, sew and bowl, but my greatest love is my church and serving our Loving Lord.

I live in the coalfields of Southwest Virginia. We have the beautiful mountains and all four seasons. I love spring, summer and fall but winter is something else.

I pray you will take this small testimony of my life and learn from my lessons, thoughts, and philosophies. I have lived a simple life and been blessed by God with a wonderful family. The simple things in life are what counts versus the materialistic things of this

world. As I enter the final phase of my life, I am not counting my worldly treasures. No, I am counting my blessings from my husband Hoyt who has gone on before me, my children and their children.

I pray you will take the time to slow down and think about what is important in your life. It was only a blink of an eye from marrying Hoyt at the young age of 16 until he was gone at 67. We had 47 short and wonderful years together and a lot of memories with each other and each of you.

You can't imagine what I would give to go back to those wonderful days of going to Caney Creek swimming pool, Buggs Island, South Holston Lake, Florida or Myrtle Beach or being together as a family for all the holidays and birthday celebrations. We had some tough times but those have faded away and all that remains are those precious memories.

My prayer is for God to bless each and every one of you and your family.

“ I am shocked and so sad another friend is gone. Eta Gay (She told me when I first met her that her name was NOT Eda Gay. It was Eta Gay. So that is what I have always called her) was a wonderful friend. We went to CVC together. That is where I first met her. She was a wonderful person with a beautiful laugh. I am so sorry to hear of her passing. May God Bless each of you in this time of grieving.

“ To the family of Eda Gay Patton, please accept my deepest sympathies on the loss of a dear mother, Grandmother, wife, sister, etc. Memories of your mother and Dad Hoyt as I grew up in McClure, Virginia and knew and remember them well as a small boy. I always remembered Eda Gay being a small beautiful little woman and Hoyt was admired by me always for having the big muscular arms, and would see them at the Ole Shay Restaurant often. It is so sad as time has swiftly passed away and we have reached our twilight hours.

Once again so so sorry and please accept my deepest sympathies and no words could I ever speak that will take away the hurt at this time so I will just say may the LORD wrap his big arms around the family and healing will come quickly and you will remain in my prayers,

Sincerely with Love
Dale Prince
