“Dear Steffey family, I am so sorry to hear about your loss. When I would come to the reunions "Bud" was always the first to greet me. I was in the same class at Clinchco with Harry Lee. My prayers are for all of you. We were neighbors when we lived in Clinchco, Gentry and Mary Meade.”

“Dear Bud, I know you are no longer suffering but your presence is already missed. You were a great father, husband, and friend. As a kid I remember spending so much time with Papaw and you at Hardee's, the Bay, and riding around town. I had a lot of fun. I remember every time I was visiting Mamaw and Papaw, you and Mozelle would bring over something else grown in your garden to share and all that time on the front porch spent talking, especially about your travels while retired. You and Mozelle were always very kind to Mark and me. Thank you. One day we will see you again. Peace be with you and the family. John”

“Dear Mozelle and Family, Bill and I want to send our sympathy to each one. We hold so many fond memories of Bud and growing up in Clinchco and the memories of home, family and friends. Bud brought so much to the Clinchco Reunion each October. He had such a good memory of those times and the many friends he had. We will miss him always!! What a wonderful companion he had in you, Mozelle! God bless each one! With our love, Bill and Nita Artrip”
