“ *Sue I am so sorry for your loss. I lost my mom on New Years Eve 2015 and I know how sad the holidays have been since her death. I know my mom is in a better place and is no longer in pain. I hope you and your family can find peace in good memories and love shared. God bless.*

“ *To all the family.
Love you all, was wonderful growing up with you, going through school, and remaining friends for life. Your mom was such a wonderful lady. Growing up as kids she treated us all the same. Thanks to all for your kindness. My heart aches for you and I know there are no words that can take away the heaviness in your hearts. Just know others are willing to help in any way we can. Sad day, but also lucky to have so many wonderful memories.*

“*Joyce, Denese and all of the family,
My heart goes out to all of you in the passing
of your beautiful Mother. She sure raised
some wonderful children which speaks a lot
for her. What got me through my own
Mother's death was knowing she was no longer suffering and that I
could see her once again in Heaven. I pray the same for all of you. I
am still with my Dad at HVMC or I would be there. May God bless
and comfort all of you.*

“*She fought a good fight. I lived in Abingdon when Anna Ruth lived
there; we always saw each other at Food City and shared memories
and news from Caney Ridge. Always friendly and a smile for her
neighbors. Love and Prayers for the family.*
