“ My Brother Anthony...How I will miss you! I just saw you last month and we talked and enjoyed seeing each other. You came by the parsonage often and shared your heart with me on many occasions. I fed you sometimes... and we would visit, and talk about music and life.

I know that God has welcomed you into his presence and I know that you are no longer struggling, but you left way to soon. I know that you will be missed and there is a hole in several hearts right now.

I know how special your little girl was to you. I know you loved her so much. You talked about her a lot.

You were a special guy...and I know that the world is a better place because you were here.
