“I wish all the best for your family and friends and I am so sorry that you left this world at such an early age. As long as you have GOD on your side, in all honesty, any one is better off, for this world is few days and full of trouble. You were one of my favorite cousins and I was and am so very sorry that I didn't have any knowledge that you were sick, let alone sick enough to pass on? I ask forgiveness from the family for my laxness, and we all have our own burdens and so hopefully no one will judge me too harshly. I loved you Jerry. May God rest your soul until the day of HIS coming. Love cousin Ronnie.”
