“Eugene, June and Danny: I was so sad to hear of Barbara's passing. She was such a pleasure to be around and we always had a good time laughing and talking when we would run into each other. I know all too well the pain you are feeling with the passing of your sweet sister. I not only lost my Daddy in January of 2012, but our precious brother Kim passed 3 months after Daddy and the pain and loss is as bad today as the day we gave them up. Our love and prayers are with you and the family. Lynne Patton Taylor and Family”

“Eugene, June, & Danny: I am so sorry to hear of the loss of Barbara. She was a such a pleasure to be around and talk to, I never ran in to her that we did not talk and laugh and have such a good visit together. I know the pain you are feeling of the passing of your sweet sister as I lost not only my Dad in 2012, but our precious brother Kim passed three months after Daddy and the pain is still so strong today as it was when we had to give them up.
