Barbara was a kind and loving wife, mother, and grandmother. If she loved you it was never-ending. Barbara had trouble getting close to people because she feared being hurt or let down as she was so many times in her life. “ You left way to soon, but god had a plan for you beyond our wildest dreams. He wanted you to spread your wings, feel no pain, live in peace and love us all from a distance. Only for a little while until we meet again my sweet sister n law. I prayed for you to get better and come home but your journey was over and you were suffering so I prayed for comfort and peace and you flew away. I will miss you all of us will miss you. Spread your wings and fly as you watch over all of us that loved you so much.
