“*My condolences to the children. Benny and Naomi were neighbors and like family to me. I'm not surprised that they went to be with our Lord together. Their love and devotion to each other was amazing and their lifelong devotion to homeless children will be repaid in Heaven. I will certainly miss them. However, I know in a short while they will meet me on the other side of Jordan!*”

“*Missy, Terry and family, so sorry for your loss. I know it must be especially difficult so soon and the loss of your mother. May God comfort you all at this sad time*”
