“ I didn't know Benny was gone. Hate so much to find this out. My biggest memory of Benny was at a Kiss concert in Johnson city Tenn freedom hall. Jerry and myself were in the seats beside the stage but Benny wasn't hard to spot on the floor. Eric Carr threw a drum stick out in the crowd. Everybody jumped up for it but Benny just had to reach up. They didn't have a chance. Good times and i will always remember him. He was a good man and father. I wish his family the best,
