“ Aunt Betty,

Words could never express the great sadness and emptiness I feel within my heart. When I came home to visit you July 2016, it was almost like I was a child again, you were still bossing me around as if I was a 5 year old boy, hard to believe in 37 years and the miles that had separated us we picked up right where we left off, your love for me never wavered. I never told you and I regret that I didn't, you were my mother, you took care of me and loved me when my own mother could not. You were the reason I am moving home to Clintwood in the coming months. Thank you for loving me and letting me be a child, encouraging me to play and get dirty. Taking Shawn and I fishing in the creek and telling us not to get bit by a snake. At 71 years old you were still asleep beautiful as I remember. Fly High Aunt Betty, I love you! Godspeed

“ Shawn and Michael, I am so very sorry for your loss. I knew Betty for over four decades. She was a very special person. What I liked most about Betty was that she told you exactly what was on her mind. I regret that I have to be out of town, but know that you are in my and Suzzie's prayers.

“ *Betty was a wonderful friend and colleague. She was always willing to lend a helping hand, and share her knowledge with us She was an instrumental part of our 29th Judicial District's success in bringing video conferencing to the Magistrate System. She also knew her Lord and Savior Jesus Christ and that's most important of all.*
