December 5, 1943 - August 12, 2024

*Carla Faye I'm so sad and broken hearted, for you and the girls and the family and I know that you were very close to each other so please know that I am here for you anything I can help with I'll try best. I LOVED YOUR dear sweet Mother and I loved when I would run into her somewhere, she'd brighten my mood and have me laughing before we parted ways. But I know she's no longer suffering, her struggles are over. She's resting high and she will always be there with you in heart and spirit. She Loved you girls and I love you and I will always be here for you. Betty Lou was a joy to this whole family. She'll be missed by many.*
