“ Betty and Melissa were my best friends in Dickenson County when I worked there in the early 90s. Betty taught me how to flatfoot in her kitchen and tried to explain the appeal of NASCAR to me. She was fun and warm and wonderful. My prayers are with Melissa and the rest of her family.

“ Betty was a wonderful woman. She was always so kind to me. And she had a big heart for the community and her family. She took care of my work partner, her husband, JC when he was ill and she done so with faith and a godly way. I never seen Betty without a smile on her face and that is a testament to the kind of person she was. She will be greatly missed in the community and as my moms neighbor. Peace be with you during this difficult time.

“ When I was the pastor at Clintwood United Methodist Church, Betty was my rock. She was someone that I could talk to and get an honest response. She would tell me when I was wrong and praise me when I was right. I could always go to Betty. She started the Saturday home bound food delivery program and it was one of the highlights of my ministry. The clothes closet was another project she started. Betty has a heart for people and saw them the way Jesus saw them. I learned more about being a pastor from Betty than 4 years of Bible college and 4 years of seminary. I will miss her.

“ She was such a vital part of Clintwood UMC. Very active worker and friend to everyone she met. Sunday morning as I look out on the congregation, I missed her smile. She will forever be in our hearts.
