“*What a beautiful tribute for Aunt Billie. Her family was her life and the love that she had for them apparent. I will always remember visiting her on our trips to Virginia. I always felt I belonged with our visits and wished they could have been longed. I enjoyed our visit on facebook and the pictures. I know you will be missed by all who knew you and I am one of those who will miss. I am glad you are with Uncle Lee Charles, Tim, Granny and Paw Fred. Give them a hug for me. Love your niece, Cheryl Lynn*”
