“ *I remember that day long ago around 1971 or 72 when Billy followed Carolina home from high school, He rode the bus to our bus stop at Hurricane branch on Lickcreek rd. I remember he was a pest "lol" and everytime he would kiss Carolina all us younger children would laugh at them, that was the first time I met Billy. I remember when they got married, and their first baby, a daughter, we spoiled that baby rotten (Regina). Billy has been a part of this family for many years, he loved his family and was so proud of each and everyone of them, his grandchildren and great grandchildren also made him a proud man. He will surely be missed, my heart goes out to all his family, especially my sweet sissy Carolina, love you all.*

We loved Billy, he was a thorn in our heel sometimes and many laughs, he was a jokster, loved but loved his kids and family, he has been a part of our family for many years. His prayers at our special dinners will be surely missed, he said the most heart felt and humble prayers. Love you sissy and all the kiddos.
