“ *Linda, I am so, so sorry. I know how painful it is to loose someone so unexpectedly. I lost my dad that way and you are totally in shock! Please know that some way and some how we manage to make it through this awful and sad times. God is always there but I know sometimes it does not feel like it. I will keep you in my prayers and ask God to just put his arms around you and comfort you with his love and compassion. I LOVE YOU!*

“ Their isn't a time in my childhood that i can't think of Aunt Bobbie in it....she made the best Chocolate Gravy and fudge you could ever taste. We all sat around and we all talked for hours. You always felt welcome at her house, and always had dinner on the stove. Loved this woman with all my heart. And she will be missed but never forgotten. God needed another angel. Love and Prayers you all my family.
