“ *"To all the family:We are so sorry for your lose. Growing up around uncle Bob I use to think he was the most aggravating person ever. And in a way he was, but in a playfull way ,he also had a heart of gold.He had a smile any time you saw him. He will be missed by many. He and mom were always close, he would call her and talk about the Bible, she loved to do this with him I know.He will be sadley missed, but he left some wonderful memories.Barbara & Jimmy Puckett;"*
