“*May God bless and keep you and shower his love upon you filling your void with precious memories. Booker was a special man and I will always remember he and Dad working hard in the mines and laughing about all the funny things at work and home. He and Ruby were a special part of my life in Clinchco, Virginia for many years and it gave me great comfort to know they were there during Mom's and Dad's illnesses. With much love and sympathy for your loss. Virginia Hubbard Underwood and family*”

“*So sorry for your loss. I know how much you loved your Dad. I can't be there with you but I am in spirit. You were blessed with wonderful parents. You have lost so many loved ones, many of whom left you much too soon. Love you and will be thinking of you and your family!*”
