“Brenna has been a wonderful friend for many years. she has kept such a positive attitude throughout her illness, I went to visit and try to uplift her. But I Left uplifted myself. I am so sorry I will not be able to attend the service to celebrate Brenna's life, but her memories will be in my heart always. Her two wonderful sisters and many friends left behind will be in our prayers. May God send his comforting spirit to each of you.”

“Brenna was so special and such a sweet person.. I loved her dearly. She was a great friend to me and was always willing to drop what she was doing to help me or to talk to me about anything. I will miss her so much. She's in Heaven now where she will no longer suffer or have any pain. I know she will be looking down on us all and smiling that big grin that I never seen her without. Rest in peace my dear sweet friend. I love you.”
