“ To my sister, fly high Carol pain free. We love you and will miss you always. I love this picture when she first got her tatoo. She loved humming birds.

“ Carol loved to quilt and travel. She made this beautiful quilt for my baby Mollie Quinn. I first met Carol when she came into Smartstyle for a haircut about 3 years ago. Even though I stopped working there, she would travel all the way 1.5 hour drive to my house and we would do all kinds of cool stuff to her hair. She also absolutely loved her mother and her husband. She talked about them often and would also tell me about her trips she made to Florida and other places. She was one of a kind and I am going to miss her. I just learned of her passing tonight, so I am pretty heartbroken. I loved Carol and although she's flying high, I am still devastated to hear of her loss. RIP Carol. Definitely gone too soon. Happened so fast. Love you girl.
