“ Carroll was a strong man who would never give up on anything. His strength and grit will continue to live on through his daughter Lisa as well as other family members. He loved his family and grand babies. Carroll, we know you are with your wife, daughter and grandson in peace in Gods house.

“ I really enjoyed talking with Carroll Ray when we were cutting and baling his hay. He often told me about working in the mine with my Grandfather. it was interesting watching him as he sat in the yard and whittle on some wood as we were raking and baling the hay. He worked hard keeping his place groomed and looking so neat. I will miss those conversations and I will miss him.

“ *My prayers are with the family. I grew up on Caney Ridge, too, and spent many Christmases with the Bakers. They always made visitors so welcome. Carrol attended church with my mother (Mildred Mullins), and he was good to her.*
