“ My memories of Carter.... he and Judy “checked on me” when I went to graduate school at Tech; I gave Carter a bed and some other furniture when he kinda got in awe will say “mess”. If he was here, he’d laugh about that memory and tell us all he “learned his lesson”...LOL! Dave’s first encounter with Carter was at Jason and Gail’s wedding. Dave drove an Escort; Carter (of course) had a massive truck. It snowed, Dave got stuck and Carter pulled him out!! LOL!! My sympathies to the entire Fleming Family!
