Cashden Edmond was very loved by everyone. He was the happiest little man. He loved to be held and cuddled throughout the day. He was definitely a mommys man, he loved eating and taking his naps with mommy. He loved music just like his daddy and would let us know when he wanted to listen. He is gone to be with our father in heaven to get all the love, cuddles, and music he desires. Cashden wasn't with us long but he made a huge impact on everyone's life's and he will be greatly missed but cherished by our loved ones who has passed on to a better place.
