“I already miss you! I wish I could get in my car and ride down the road for a visit. I loved the advice you would give, such kind but always honest words. I will cherish the memories I have and will enjoy sharing them with my kids and grandkids. We will love you forever "Old Paw".”

“I love you so very much papaw. I have never known a more kind and humble person. You are missed so much. We have all dreaded this day. The part that has already hurt is not seeing you sit in that chair at the door, welcoming everyone into the house. I hope to see you again someday. May you rest in peace.”
