“I can rememeber Chasity when I was younger. I loved hanging out with her and i'll never forget the summer she went to Myrtle Beach with us. She will surely be missed by all and especially her family. She truely was a beautiful woman inside and out and loved to share her happy personallity with everyone. She now flies as angel, the angel she has always been, with her beloved Primo spreading her wings and watching over her family and friends. My heart goes out to Kim and the family. Ill continue to prayer for you all deeply and Ill never ever forget Chasity!”

“I always thought Chasity was so precious. She always had that beautiful smile and just so sweet to everybody. I remember our silly cheerleading days at CHS! She blossomed beautifully and I know you were so very proud of her and her accomplishments. A true gem. My deepest condolences to all of you.”
