“We are sad about Uncle Chester’s passing. He was always a warm and friendly person who could make you feel better with a smile and a kind word. It is comforting to know that he is now in heaven. I am sure he is having a great reunion with my mother Dessie McMahan who was an older sister, and with his other family members. To Judy and all the family, we love you and will keep you in our thoughts and prayers.”

“I didn't know Uncle Chester very well but it's sad to lose a family member. He will be greatly missed but I know he is home with God and his family. I know the music Chester loved will keep going in all of our hearts. Chester's sister Vernie L. Choinski and brother-in-law sends their love to the rest of the family and all the memories that Lola has of her older brother.”
