“ A great man! Many years ago when I was trying to decide where to go to college, he really helped me. I was trying to decide to live at home and go to Clinch Valley College or to go off to school at ETSU. I told Mr. Lockhart that if I went away to school, I was afraid that I would miss my friends. He looked me straight in the eyes with such kindness and said, “Jeff, they will always be your friends, but sometimes it is time to make new friends!”

*These words helped me so much when I really needed to hear them.*

*Thank you Chris, for helping me! I will never forget you.*

“ Leslie, Lois, and family, I am so very sorry for your loss. Chris was such an important part of my life in high school, he always noticed when something good happened and never failed to offer praise and encouragement. He was one of my favorite golf partners at Happy Valley, and I also remember stopping in at "The Store." You are in my thoughts and prayers, and I pray that God provides you comfort during your time of loss.
