Just like sisters I was 6 when she became a part of our family. It's hard to believe Colleen is gone.

*Burton, Brian and families,
It's so hard to find words at a time of such loss. I talked to Colleen just a couple of weeks ago and she wasn't doing well at all. We shared some special memories about my mother, her Aunt Delphi, and how special she, Geraldine and Eugene were to mother through the years. We also talked about looking forward to Heaven. I look forward to seeing her again and our loved ones that's gone before us. What a reunion that will be!*

Please know that you and your families will be in my prayers in the days ahead... Jesus will be your comfort and strength.

“ Colleen I have known all my life my grandparents Owen and Cynthia Mullins raised her she was of close kin to my grandfather on the kinderick side. Colleen and I spent many of times crying laughing long talks we were like sisters. She was a hard worker loved her family was a good Christian who truly loved the Lord. She was a animal lover kittens would come ro her house and stayed because they were well taken care of. She loved her Lil dog Henry and always talked about how much company he was. She worried about him She would say if something happened to her. We shared alot of good times I can't believe she is gone. But she is in a better place after being sick for several years. I just know I love her and miss her. Prayers for her kids and all that were close. I will miss you my susan
