“*To her family: I remember Cora Alice as such a lovely, kind person & a beautiful lady. I have such fond memories of her while I was growing up in Dwale, Her mother Nora & my grandmother Cora were sisters. Eventhough I had not seen her in person for many years, I asked about her on a regular basis. The family has my prayers during this difficult time.*”

“*This message is for the daughters of Cora Alice. I was a classmate of your mother's at Clintwood High School. All those many years we were together, I remember her as being the most beautiful of my many other lovely classmates. Not only was she the most beautiful but she was refined, a bit shy with dignity and grace, and always wearing a smile. I think of her fondly and pray for God, over time, to replace your tears with the sweeter memories of your mama as I have done with the loss of my own mother. Sincerely,*”
