“ Where do I begin? It seemed like as soon as I started visiting Danny & Mary, we became family, including their sons and grandchildren. When you're accepted into the family, it doesn't matter how much time passes between calls and visits, when you go back, you're home. Danny, Mary and the rest of the family will always have a special place in my heart. I love all yall so much! My prayers for comfort and peace for the days ahead.
