“*To all of Darlene's Family.. Jack & I send our love to all of you. Darlene was such a good friend. I had not seen her for a while, but I will never forget her and I visiting when we lived on the ridge. We had great conversations, and laughs. She was such a lovely person. May God surround each one of you with his Love, and help heal your broken hearts.*”

“*I was so sad to hear of Aunt Darlene's passing last night. I have not seen her for many years, but have always had fond memories of her and her family. When I was a child, My Mom, who is her sister (Lucille Galeano), and my Dad, brother and sister spent a lot of time with Aunt Darlene and her family. Mom and Dad would play cards with Aunt Darlene and Uncle Cova, while all us kids would be running around playing. It is sad how we grow up and grow apart from family. Aunt Darlene, I look forward to seeing you again, and being able to spend eternity with you!*”

“*I was sorry when I drove up the ridge and saw the funeral signs. This is a reminder to us all to be thankful for our friends and family. Growing up in the neighborhood as boys we played everywhere. Darlene and Cova always treated us well and looked out for us, like their own. It hurts when someone who was always so kind passes on. I will always remember her and this family for all their kindness and friendliness.*”
