“Fishing in heaven”

If someone was to ask for me tell them Heaven is where ill be

I’m already sitting at the lake with my line in the water and the lord by my side, I’ve also come home to the love of my life.

So until we meet again, cast a line in memory of all the laughter, how it use to
be, your friend, your papaw, your dad
If you start to miss me, don't worry, I've only gone fishing.

“ *I'm so sorry to hear this about my lifetime friend. Darrell took me
under his wing long ago and treated me like a son. He taught me
many things, kindness and character was two of the things I
remember most. He made my life better and I have always been
thankful for his inspiration to me as a child. He was a special man
and raised a special family. Rick Mullins*
