“ *"While I didn't know Shifty personally, it was with great sadness that I learned of his death. I just recently discovered this memorial guestbook and HAD to enter my comments concerning his passing. I'm also a former US Army Staff Sergeant (Military Police Corps)-it saddens me whenever any NCO passes. Rest in peace, Sergeant-you're in God's hands now and he will protect and watch over you! “*Sarge, you will be missed. Do not fear, for there are others out there like you. We just don't hear about them. Our current media and administration doesn't want us to know of you and your kind. It seems that wanting to defend a democracy has become unfashionable. Those of us who have knowledge of war, will not forget you. I salute you and wish you peaceful rest. “My deepest condolences to the Powers family. It seems we lose more and more of the men of the greatest generation every day. We need to say thank you to those that are still with us every time we meet one and hope that it will do honor to Shifty and those that have gone on before us. The best way for us to show that honor besides saying "Thank you" is to continue to do our best to make the United States the greatest nation on earth. Again, my condolences and deepest thanks to the Powers family for sharing Shift with us.”

“My sincere sympathies to the Powers family. Darrell "Shifty" Powers was a hero to me, and it was my honor to meet him briefly in 2004 when he and 16 other Easy Company heroes met with their admirers in Norfolk, Virginia. I thank God for Mr. Powers' life and his service to our nation. May he rest in peace.”

“I did not know Mr. Powers and only learned about him and the others in Easy Company after seeing Band of Brothers. Mr. Powers selected comments before the episodes were always a joy to listen to. I have read almost all the books on Easy Company and they gave me the impression that Mr. Powers was like all the men that served, they did the job they were asked to do, obeyed orders and led me to victory. Since Band of Brothers I have come to love these men for what they did and the way it was done. I have often wondered if I could have done the same Mr. Powers is a hero to me, he was a great citizen of the US, defended his country, and came home to be a great family man. I never knew the man but I will miss him dearly. God Bless to the Powers family, my thoughts and prayers are with you.”

“*To the PowersFamily, please accept my deep condolences. You are in my thoughts and in my prayers. I never met Shifty and wished I could have. He seemed like such a nice fellow, and ever so humble. I like to hunt and fish and I love America. I'm sure those would have been strong common bonds for us. In a time when America needs heros more than ever, we have lost a great one. Whenever I'm out in the wilds with rod and rifle, I'll think of Shifty and the men like him who fought to protect the great freedoms that we have today. God Bless you and your Family Shifty. Rest in peace Old Soldier. You've earned it.*”

“To the Family of Shifty Powers: Our deepest sympathy on the loss of your beloved father, husband, grandfather, and brother. My family and I have enjoyed following Mr. Powers' "fame" through the Band of Brothers movie and book. The movie really is one of our favorites that we watch often and have been proud to claim Shifty as a Dickenson County native. My children have always enjoyed hearing him speak at the local schools on Veterans Day. Mr. Powers was an American hero and we are so sad that he has passed on. His contribution to WWII and the sacrifices he made for America are appreciated by myself and my family and will never be forgotten. Robert and Pam Stanley and family, Rose Ridge, Dickenson County”

“To the Powers family, thank you for allowing me the great honor of knowing you and knowing Shifty. He remains a great role model and inspiration to me not only as a person but as a NCO and leader. My whole family admires Shifty and we all look up to him and all the men and women of his generation that sacrificed so much to make us all free. Thank you for allowing me the privilege of serving as a pallbearer and presenting Shifty's flag to Dorothy. I will never forget your kindness during this period. Rest in peace, Shifty. We love you.”
