“Mallory, When I was your age, your Grandma Audrey and Popaw Vincen gave me and Portia the greatest gift two little girls could receive--a baby to play with named Darren. We knew that God sent him for us. Time went by and we all grew up to start families of our own, and then Darren gave a most precious gift of his own to the family--name Mallory--you!! Even though he has been taken way too soon from us, remember he will always be with you--he loved you more than any words could ever say--hold on to all the best memories you have of your Dad. We will miss him so much but when you ever want to talk about him--just give me a call anytime. I Love you!!”
