“ I didn't hear of Davids death until today, January 27 2019, I always enjoyed talking to him about his fishing and his new Dog, we had several late night conversations and shared a laugh or two on different subjects, he wanted me to drive down and go out on the lake fishing, he had recently purchased a new boat and was excited, he took it out and said he ran it 74.5 mph which I told him to be careful, he was a friend that surely will be missed, he never knew just how much people cared for him, so sad, rest in peace old friend.

He was so good to the girls. They called him Uncle Dave. He always entertained them.

“ *I am so very sorry to hear of David's passing, he and Lowell are such great parts of my memories of Little League Baseball, high school, the band... David had such a joy for life that it was contagious. May God hold David's loved ones close and provide comfort to you.*
