“Our prayers are going up for all of you during your time of grief. May God carry you all throughout this difficult time. Debbie was such a beautiful, strong, courageous, kind and loving woman. Never had anything but good things to say. I never heard her say one bad thing about anybody. She was definitely one of a kind. She was loved by so many and will be missed by them all. Heaven has gained a precious angel. God Bless you all! We love you!!”

“Im so sorry, I can't tell you what an inspiration your mom was. She always smiled and would try to hug me. She always ask how I was even when she felt the worst. She fought a very courageous battle and kept her warm loving heart. She will be missed by many of us at hospital.”

“My heart is breaking for all of you. She was the sweetest woman I have ever met in my life, always had a beautiful smile and a kind word for everyone. Todd has always been like my son Michael's brother and they spent so much time together. I know how much he loved his mother, and my heart aches for his loss as well as the other kids, Danny, Delores, siblings and the so many that loved her. To know her was to love her. People that were lucky enough to know her were blessed for the short time she had here on this Earth. Life will never be the same without her, but she will live on through her children, grandchildren, and her other family members until that blessed day that they will all be reunited! I love all of you and my thoughts and prayers are with you, such a good and wonderful, loving, and caring family. My description of Debbie: Beautiful Person, Beautiful Personality, Beautiful inside and out. Her beauty was not only on the outside but on the inside as well. Heart as big as Texas, and so kind to all.”
