I am no martyr

I am no saint

And by your side, I'll have no complaint

Said "I would" a long time ago

And when He comes calling, I will let you go

And you will go  
I loved you hard  
And I loved you long  
Sung every chorus  
To this simple song  
But I will remember  
And I will remember  
But I won't cry for you  
No more"

When we remember you, we will put on the Eagles and Take It Easy.
