“ Carrie, I'm so very sorry for your, and the rest of the family's, loss..I just found out about the loss of Doe late this evening and I wanted to let you know that I am holding you and your family close in thought and sending you my deepest condolences.. You have been my best friend since 3rd grade and I remember all of our sleep overs and how welcome your mom always made me feel.. Doe was genuinely a kind hearted, caring, beautiful soul..she was truly a beautiful person, inside and out..even after we had grown up and started living our adult lives, it never failed that if I ran into her in town, she always spoke, hugged me, and asked how I was, as well as my mom. I will miss seeing her bright, beautiful smile and hearing her laugh..Doe was a compassionate and caring person, and she was genuine-that is hard to find these days. I really wish there was more people like her in the world because it would be a better place. Of course, you know this already..I know the heartache of losing a parent, and I know that right now, nothing I can say or do will take away your pain, but I just want you to know that I am here for you, night or day.. if you should need someone to lean on, or someone to listen and/or talk to, or if you need anything else at all, I am and will be here-always..You are special and beautiful and genuine just like your mom..and one person I can truly say has been my best friend..sending my deepest sympathy to you and all of your precious family from the bottom of my heart...love you always-- Celeste

Just wanted to light a candle in honor of Doe...She was truly a kind hearted, good natured soul who was always good to me anytime me and Carrie had sleepovers..Even after years of young had past for us girls, anytime I ran into Doe in town, she still had a hug for me and always asked how I was doing, as well as inquiring about my mom..Doe was truly special, and as hard as it is to lose her, our loss is Heaven's gain..thinking of you ALL..
