“ We met Dennis a few years ago when he cut some trees for us. I want his children to know he was braver than the average person to often face some danger in bringing down trees, making a living that way. He was proud of playing football in high school. A very likeable person. It is purely a tragic loss. Keeping the family in our prayers.

“ Allen & Family. Allen we are so sorry for the loss of your son. He is so young and left this world way too soon. I know you and all of your family are devastated and heartbroken. He is a handsome young man and I am sure he had a heart of gold. All of your family does. I know it is a terrible loss to all of the family and everyone that knows him. May God wrap his loving arms around all of you and comfort you during this difficult time and all of the days to come. God Bless all of you.

“uncle peedy was one of the best person i’ve ever met. i remember always watching ghost buster with him and shooting bb guns at pumpkins, having cookouts and spending time with him and everyone else. he was one of the nicest and genuine person you’d ever meet. he would always give anyone in need what they needed. his smile could light up a sky, i remember going to one of his tree jobs with him and papaw, and watching them do what he loved most. he always had so much joy in cutting trees. i love you uncle peedy and i’ll miss you. but God was ready to take you home. fly high 🕊️🕊️

“ Dennis is, by far, the best brother-in-law and one of the best people I have ever had the pleasure of knowing! He ALWAYS had a smile to share; which would brighten anyone's day no matter how depressed or ill they were. If he felt any pain, stress, or anger, you would NEVER know it just by looking at him. He was humble and always wanted the best of life for everyone. No other person on this Earth loved their family like Dennis loved his family; especially his boys! When I became a part of the family, several years ago, Dennis welcomed me and all of the drama around me at the time without even blinking. I can honestly say that Dennis Allen Fleming was the best of us all! He was an angel from heaven loaned to us here on earth for just over 39 years; to teach us how to love unconditionally and how to smile at any adversity life throws at you; just to name a few. He was always eager to teach anyone whatever they wanted to learn.

Dennis, you are deeply missed, and whole heartedly loved. You were one in a million, sent from above.

Save us a seat up in heaven and we will do our best down here; to smile like you taught us and bring other's lives a little cheer!

Until we meet again..

Your sister (in law),

Dennis Fleming wanted to be called "Pudge" or "Dennis". We graduated from clintwood high school in 2001 even I had the loudest applause in high school in 2001. Dennis Fleming got a great applause too at the clintwood high school graduation in 2001.
