“*My heart breaks for this family that has gone through so many things, but like Joe Glenn said tonight at the services they are such a close family they cling together and make it through. They have many who love them and I know praying for each one. I know Debbie, Brenda and Margaret the most, and of course Gene but when you know one sibling believe me you will know them all! This family is a blessing to me and I hope they know that. The singing was beautiful by each one, just especially touched by Kaylie and Renee (excuse my misspells) it has to be so hard for family members to sing when in such grief but both of you done wonderful! Kathy Boggs Stanley Clintwood, Va (Don't know why my post come up New York guess done something wrong!)*”

“I remember Donna back to maybe the 1st grade, and she was absolutely as sweet a person as could possibly be. She was a friend of everybody, and always had a kind word and a smile. For some reason I remember that she excelled in the physical fitness tests that were done twice annually through grade school, and outdid most of the boys. She was just a high quality person, and lived a high quality life. We will all miss her, and at the same time all of us are better for having known her and to have seen her example. My condolences are with her family. Doug Sutherland Charlotte, NC classmate of Donna”
