“ *I have known Donna all my life. She was a great person. Rest in peace*

“ We were sorry to hear of the passing of Donna. We did not have a lot of opportunities to fellowship with Donna, but we appreciated the times we did. Two Thanksgivings ago I (Gerry Whitner) was alone for the holidays while our family was out of state. Donna called and said she was sending me a meal for Thanksgiving. Shortly afterwards, her grandson delivered it to me. That was such a special thing for her to do!

We could see her caring for her grandchildren and her son who live next door to us. I am sure she will be missed greatly, but we rejoice that in heaven there is no more suffering.

Sincerely,

Gerry and John Whitner

“Ray, Allen and Brian,

You are all in my prayers. She loved all of you so very much. All of you girls are so very close, and I can't imagine what you're going through. You've already lost Mary Ruth, Linda Carol, Janice and Marsha. Way too many were taken too soon from us. Only the Good Lord knows why. I know that no one can say or do anything to take away the pain, but just know that we are here for you all. We've had so much fun at our reunions, laughing until almost crying at the games we've played. Donna Kay will surely be missed. I pray we'll all meet again one day and have great times together in Heaven. May the Lord bless and comfort all of you. With love,

*Your cousin,
Karen*

“I have so many wonderful memories of my sweet Aunt Donnie! She was always so much fun to be around. We loved to laugh together and we even cried some together. I will never forget her cooking my favorite pork chops and her and I sharing recipes of the newest food trends. During the last few weeks we had spent a lot of time together. I will forever be grateful to God for allowing me the time with her. I love you sweet lady and will see you one day again.
