“ I always enjoyed visiting with Uncle Billy and Dougie. Dougie always seemed to have a smile on his face and was so kind. We would usually drink a Coke together and eat ice cream. Daddy used to always tell me how smart Dougie was. I was sad to hear of his passing. I'm praying for Leila, Debbie, David, and Darrel.

“ I have always loved Dougie. In high school, we played chase every morning, and Doug loved it. We played with Arlene Ramey. Dougie was so fast! And he called me about every night to ask if we were running in the morning. One time I told him no cause I had to study in the cafeteria in the morning for a test. Dougie wouldn't take no for an answer. He came, sit down beside me. I said "morning Doug"—and he just started counting down—"20-19-18-17", I'm like, Dougie, I can't run this morning. And he was just like "16-15-14-13-12-11," and I told everyone " I had to go start running!"—and at 0, he was running after me like a flash! We all laughed doing that, so much, I can hear him laughing now!! We would fly by vice principal Doug Mullins and he would yell, "Slow Down!!" We had so much fun!! Dougie, you truly were a great friend and I have missed you thru the years. You had a difficult life, but you didn't complain to me. Thoughts of you always made me smile. Always love for you in my heart, sweet friend. I'll see you one day and we'll run and play in Heaven. Love you, Renae

*So sorry to hear of Dougie's passing. He was our playmate when visiting my aunt who lived on Smith Ridge. He always amazed me with his math skills. Sending prayers and comfort during this sad time.
