“A distinct sound like no other. Ralph Stanley's voice and banjo had a sound like no other. I loved the sound of both. I was fortunate enough to meet him last fall. Ms. Jimmie was kind enough get up and let me sit beside him and talk to him. Even in his frail state, he talked to me about everyday things. A memory I hope will remain in my mind forever. Praying for his family as they carry on without this wonderful man.”

“*As the condolences flood this book, it's very sad that one of the Stanley's is never mentioned. Tim Stanley (Fletcher, NC), Ralph's first son, was brushed aside by Ralph's family. Tim spent many of a time with Ralph but was never accepted by his current family. They may deny him but, at 50, he is a spitting image of Ralph, in look and stature. Tim, I'm so sorry you had to face this without the Stanley family support but I'm so glad you had your beautiful wife, Lindy by your side for support. Again, many will ignore you, but everyone who acknowledges the truth and loves you will stand by you in this time of need. I'm so sorry on the loss of your dad.*”

“*“Jimmie and Family, My Family originated on Sandy Ridge-down the lane- behind Doc and Mary Stanley. My Grandparents were Maude and Paul Brummitt and we lived in the home which used to be back behind the pond back in behind Doc and Mary Stanley. Joseph Grizzle ended up buying the place from the/us- and we all moved to Clintwood. But not before 3 Uncles and my mother had graduated from EHS. I also had the pleasure-years later to teach Lisa, Tonya, and Ralph 2 at EES. After 19 years I left EES to return closer to my home in Clintwood. I am married to Calvin Crabtree who has had the pleasure to meet with Jimmie and Ralph, and Ralph 2. We are so sorry for your loss and pray that God will be with each of you in the days ahead. May God bless each of you.in your loss of a fine and humble man who is now singing in the Angel Band.”*”

“*“My condolences to the family. I met Ralph Stanley at Blue Grass Festivals , when I was younger. Ralph Stanley came to West Plains Mo to play at a dinner theater. I had taken my grandfather Clarence Stanley who is Ralph's cousin to see him and my mother Bonnie Mae Stanley Ray went as well. They both enjoyed getting to visit with Ralph and my mother kept telling Ralph about my talent of picking up the Stanley family talent of singing. I was embarrassed but Ralph told me to not be embarrassed but to show off that talent like it was meant to be. To this day I am able to now sing in front of large groups of people. Thank you Ralph and I look forward to the family reunion in Heaven.”*”

“So sad to learn of Ralph's passing,my mom went to school with Ralph and Carter, so we learned about them and their music at a very young age, they were her favorite, and I just lost mom this past January so it's been a tough year thus far, so I know the heartache you are having. While Ralph was with us here on earth I am quite sure that he played shows from the smallest stages to the largest ones, but none of those can begin to compare to the show he is doing now, for he is on the Grandest Stage of all, prayers and blessings to you all....”
