“ *Eddie was a first cousin who was special. I used to babysit all Billie's kids when they were little. Time has flown by and everyone is grown. Hard to believe. Love and prayers, my sympathy to all Eddie's siblings and family.*

“ *O Eddie Ray I'm not sure where to start. We have so many good memories together. I learned so much from you more than you ever did me. I made you a promise sitting on the porch when you was worried about who would take care of the birds when you went to heaven. I told you I would for you not to worry. I will always love you my side kick.*

“ Eddie Ray always made me laugh or smile for whatever reason! Selling me rocks or Pennie's that he had or telling me about his newest record or CD that he had gotten! He was a ray of happiness to all who he touched. I will miss him with all my heart! I know how much he loved his family and how much we loved him. I hope you play that Rock n Roll nice and loud up in Heaven!! ❤️
Love your cousin
