“ *"Eddie it is so hard to believe you are gone. I am at a loss for words and my heart is so broken. I am so happy we got to spend the time together that we did on my last visits. I can still feel the hug you gave me when i left and i can still hear you saying take care little sis and be good i love you. I am so proud to have been your little sister and to have called you my brother. i thank god for everyday i had you in my life. I will miss our long talks about the good times but i know you are happy and with daddy now. My heart will always have an empty spot in it that no one will be able to fill. I love you with all of me and i will forever miss you dearly."*
