“Elaine was a dear a special friend and was part of my family just as you all are. I watched her go through so many things but she was so strong and her love for her family and friends always outshined anything else. She loved the Lord and she was a reminder to all of us of what God's love really is like. She and Momma were so close and I know they are together in heaven now and having a wonderful time. For those left behind, be encouraged. I know how hard it is to lose a Momma and a Grandma and it isn't easy. Still, we have the memories she left us. Even in her death, she left behind a gift of love. Thank you for allowing me to be a part of her service tonight. You will never know what it meant to me to honor Elaine and all of you. May God bless and strengthen you throughout the coming days. Contact me anytime at marsha_robinson2001@yahoo.com. Remember God loves you and I do too. Let's honor Elaine by spreading that love.
