“Michael, You and I went to school together and although I haven't seen you in years, I'm saddened for you and your father over losing your beautiful momma. There is no love like that of a mother. Both my mom and dad have been gone for several years and I believe Daddy(Ralph Potter) and your grandpa Emory were friends through Daddy's timber business. Our loss is great but praise God for His promises to His children, the separation is only temporary!! May God comfort you, your dad and family with wonderful memories and the promises of our Heavenly Father!
