“Danny and Family, I have just heard about your sweet Mother, I am so very sorry for your loss. I have such a fond memory of being at your house with your Mother and Daddy . They were so nice to me and made me feel comfortable. I still think about us playing together. Something I have not ever forgotten. May your heart mend gently, and remember all of the good things. You were greatly blessed with her Love. May God Bless Danny, and all of your family. Jack & Doris June”

“*To All Of Emma Jean's Family & Friends--- God allows us to be born into this world for a reason. Emma Jean had a long life well spent on loving her family and friends. She enjoyed the woods and nature and always a good home cooked meal with family and good friends. She enjoyed her hobbies making all sorts of wonderful things always worth looking at and talking about. To be her friend meant that you had to bring out the best part of yourself. She had such a good influence on everyone. Emma Jean was always a strong-willed country girl having come from strong-minded stock. We should all feel blessed to have known her and shared some good times, conversations, and her rich friendly nature. ---Curt Childress, son of Elcie Hay Childress, Emma Jean's first cousin.*”
