“ Living and growing up around these two sure made life great in 70s and the 80s. Memories of good times, laughter, craziness, never a dull moment. I could tell stories all day long of many different things we did and experienced together. Like sawing a tree across the road on Honey Camp late one night so we wouldn't have to go to school the next day. But the tree got moved.lol Just good clean fun with them both. I will always have a speacil place in my Heart for both of them.

*We will miss them. They came to S.C. to visit one weekend and I took them out clubbing and they won fifty dollars. They loved every minute of it. Always make you laugh. Love you both RIP*
