“Her soft voice and sweet smile will be missed by so many people especially her daughters, sisters, granddaughter, nieces and nephews---I was the lucky one to be named after Aunt Mary and now my granddaughter has the middle name as well. She was certainly an angel to all who knew her and as Becky noted, her family in heaven are celebrating right now. May God bless those in Virginia that will now go through each holiday and family events without her. I'm sure all the good memories of her will help them during those times. Love love to all--Teresa Lynn aka "Terry"”

“My sweet Aunt Mary has departed and is now with loved ones who have gone before her. We will miss her sweet laugh and smile. She was precious to many family members. Uncle Bud has his wife and my dad has his little sister. Mamaw and Papaw are enjoying this gathering and will welcome her with loving arms. You battled hard Aunt Mary but now it is time to rest and be surrounded by love. Love Becky”
