“ I'm pretty sure I'm the only person that keeps coming back to this page. but I don't mind. I miss you more than anything dad. You will forever hold a huge piece of my heart. I wish I had more time with you. I miss your smile, your voice the way you smelled, your eyes and your hair, i miss you picking us up with one hand just cause you could. I miss you chasing us with the lawnmower because you knew we was suppose to be inside cleaning our rooms. I want to play MK with you again just so you could be "hulk" or watching Harry Potter or WWE i know that it was our favorites to watch. I wish I grieved better, I know I don't talk about you much but it's just because it hurts , yes i know it's been 12 years but this isn't something you get over easily. Love you dad. Wish you was here. more than anything....
